Re: Coker's No. 1 Order

Dear Mr. DeVries:

Please find enclosed a copy of the Coker's Order that will go through EPA concurrence. To expedite signing of the Order, I have attached the original signature page of the Order for your client's signature. As you will recall, we used this method for the RI/FS order and it proved successful. Please return the signature page to me. When the original Order has been signed, I will send you a certified copy. Thank you for your continued assistance.

Sincerely yours,

Joseph J. C. Donovan,  
Assistant Regional Counsel
